Passenger

	ECONOMY (budget level)	ENDURANCE (genuine spec level)	EXTREME (premium level)
Technology	Low maintenance	Sealed maintenance free (SMF) with Ap9	SMF with Ap9 & 2xT additive
Warranty	12 months > 18 month (registered)	24 months > 30 month (registered)	36 month > 42 month (registered)
Suited for	Older vehicles	Genuine spec for modern passenger vehicles	High tech for modern passenger vehicles
Advantage	Budget line	Long life, high power	Extra life, extra power, extreme reliability
Stocking benefit	Price competitive	Suits approx. 85% of the passenger vehicle car parc, good value for money	Great value for your customer, higher margin
JIS NS40	LM40C, LM40CP, LM40D, LM40DP	40CMF, 40CPMF, 40DMF, 40DPMF	X40CMF, X40CPMF, X40DMF, X40DPMF
JIS NS60	LM60C, LM60CP, LM60D, LM60DP	60CMF, 60CPMF, 60DMF, 60DPMF	X60CMF, X60CPMF, X60DMF, X60DPMF
AU standard	LM50C, LM50D, LM51C, LM51D	52CMF, 52DMF, 53CMF, 54CMF, 54DMF	X56CMF, X56DMF
JIS other	LM55D23C, LM55D23D	55D23CMF, 55D23DMF, 50D20LMF, 58CMF, 58DMF	X55D23CMF, X55D23DMF
EU & USA	LMN03	65DMF, 78DT-60MF,	
DIN JIS		DIN44MF, DIN55MF, DIN55DMF, DIN66MF, DIN66DMF, DIN77MF, DIN88MF, DIN88DMF	XDIN55MF, XDIN66MF
DIN EU		55H, 66H, 77H, 55HMF, 66HMF, 77HMF, 88HMF, DIN70MF, DIN90MF	

Stop / Start

	EVOLUTION EFB	EVOLUTION AGM
Technology	Enhanced flooded maintainable	AGM sealed maintenance free
Warranty	12 month > 18 month (registered)	12 month > 18 month (registered)
Suited for	Asian stop/start (SS) vehicles (under bonnet)	Euro stop/start (SS) vehicles (in boot)
Advantage	Purpose built for OEM replacement	Purpose built for OEM replacement
Stocking benefit	Recommend indent order only unless you specifically operate in this market	Recommend indent order only unless you specifically operate in this market
Range	SSEFB-B24, SSEFB-D23, SSEFB-D26, SSEFB-D31	SSAGM-55EU, SSAGM-66EU, SSAGM-77EU, SSAGM-88EU, SSAGM-95EU

SUV / 4WD / Light Commercial

ECONOMY
(budget level)

ENDURANCE
(genuine spec level)

EXTREME
(premium level)

Technology	LOW MAINTENANCE/MAINTAINABLE		
Warranty	12 month > 18 month (registered)	18 month > 24 month (registered)	24 month > 30 month (registered)
Suited for	Older vehicles	Genuine spec for SUV/4WD/ light commercials	High tech for SUV/4WD/ light commercials
Advantage	Budget line	Long life, high power (Includes Ap9 technology)	Extra life, extra power, extreme reliability. (Includes Ap9 & 2xT technology)
Stocking benefit	Price competitive	Enthusiasts who are prepared to maintain for longer life, good value for money	True enthusiast / light commercial durable, best value, higher margin
N50	LMN50ZZ, LMN50ZZL	N50ZZ, N50ZZL	N50EX, N50EXL
N70	LMN70ZZ, LMN70ZZL	N70ZZ, N70ZZL	N70EX, N70EXL
Technology	SEALED MAINTENANCE FREE		
N50		N50ZZMF, N50ZZLMF	XN50ZZMF, XN50ZZLMF
N70		N70ZZMF, N70ZZLMF	XN70ZZMF, XN70ZZLMF
Technology	NON-SPILLABLE AGM		
N50			N50AGM
N70			N70AGM

Heavy Commercial

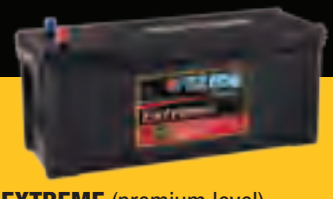

ECONOMY
(budget level)

ENDURANCE (genuine spec level)

EXTREME (premium level)

Technology	LOW MAINTENANCE/MAINTAINABLE		
Warranty	6 month > 12 month (registered)	18 month > 24 month (registered)	18 month > 24 month (registered)
Suited for	Suited to older vehicles	Genuine spec for heavy commercial applications	High tech for heavy commercial applications
Advantage	Budget line	Long life, high power	Extra life, extra power, extreme reliability
Stocking benefit	Price competitive	Drivers/fleets who are prepared to maintain for longer life, good value for money	Extreme & specialist applications
6 volt	12B, 26B		
Group 31	31-750, 31-750C	86A, 86B, 31-950, 31-950C	
N Range		N100, N120, N150, N200	N120EURO, N150EURO, N200EURO
Specialty		94B	4D, 8D
Technology	SEALED MAINTENANCE FREE		
Group 31			31-1100MF, 31-1100CMF
N Range		N100DMF, N120MF, N150MF, N200MF	
Specialty			8DMF

Orbital

ORBITAL

Technology	Spiral wound AGM sealed maintenance free
Warranty	24 months
Suited for	Specialist applications 4WD, hi-performance cars, emergency vehicles, heavy accessorised PMV's
Advantage	Flexible use, high power to size ratio, indestructible
Stock benefit	Universal fitment, product of interest to enthusiasts
Range	ORB34DC

Lawn & Garden

POWERIDER (silver)

POWERIDER (gold)

Technology	Low maintenance/maintainable	Sealed maintenance free
Warranty	12 month	12 month
Suited for	Ride-on lawn mowers, small generators & tractors	Ride-on lawn mowers, small cars & large jetskis
Advantage	Fits older applications	Fits most modern applications
Stocking benefit	Only two types to cover a variety of categories	Only two types to cover a variety of categories
Range	N05, N06	U1RMF, U1LMF

Leisure Cycle

STOWAWAY (silver)

STOWAWAY (gold)

Technology	Sealed maintenance free	AGM sealed maintenance free
Warranty	12 month > 18 month (registered)	18 month > 24 month (registered)
Suited for	4WD cycling, caravan & camping applications	Solar, caravan & camping applications
Advantage	General purpose cycling	Extreme cycling with a variety of uses
Stocking benefit	Affordable range that covers most category applications	Best in class product for category enthusiasts and are reliant on a power source
Range	LCS24-86, LCS27-97, LCS31-110	LCG24-92, LCG27-110, LSG31-120, LSG150, LCG200, LCG260

Marine

STOWAWAY (starting)

STOWAWAY (dual purpose)

STOWAWAY (cycling)

Technology	Sealed maintenance free glass matt	Sealed maintenance free glass matt	AGM sealed maintenance free
Warranty	12 month > 18 month (registered)	18 month > 24 month (registered)	18 month > 24 month (registered)
Suited for	Marine starting outboards & inboards with basic accessories	Marine applications with standard marine accessories	Marine cycling requirements in conjunction with marine starting
Advantage	Purpose built for marine starting	Purpose built for the majority of marine applications	Purpose built specifically for marine cycling applications
Stocking benefit	Covers mainstream basic marine applications	Covers the majority of the marine market	Premium specialty for the marine industry
Range	MSST22, MSST24, MSST27, MSST31	MSDP24, MSDP27, MSDP31	MSDC24, MSDC27, MSDC31, MSDC150, MSDC200, MSDC260

Cycling

SEMI INDUSTRIAL

HEAVY INDUSTRIAL

Technology	Low maintenance flooded	Maintainable flooded
Warranty	6 month	12 month
Suited for	Semi-industrial applications	Heavy industrial cycling applications
Advantage	Durable plates with glass matt separators	Extra thick plates & flooded for longer life
Stocking benefit	Affordable cycling battery for light applications	Built durable for most cycling applications
Range	ED1, ED2S, ED4, ED4R, ED50, ED5, ED6, ED7	DC6V225, DC6V245, DC6V250, DC6V305, DC6V375, DC8V150, DC12VXC, DC12V80, DC12V105, DC12V115, DC12V195, DC12V200

Specialist Cycling

GEL CYCLING

AGM CYCLING

Technology	Gel cycling	Gel AGM cycling
Warranty	12 month	12 month
Suited for	Specialist cycling applications small ups, solar	Hi specification specialist cycling applications
Advantage	Long shelf life, universal cycling applications	Best in class cycling
Stocking benefit	Indent only	Indent only
Range	ES450, ES650, ES900, ES950, ES2400	GF12014YF, GF12022YF, GF12025YG, GF12033YG2, GF12044Y, GF12051YG1, GF12063YO, GF12072Y

VRLA Small Sealed

PRO SERIES

Technology	VRLA AGM sealed
Warranty	12 month
Suited for	Small cycling for mobility, security, toys
Advantage	Long shelf life operates in any position
Stocking benefit	Large range covering the majority of the market
Range	HGL0.5-6, HGL1.2-6, HGL2.8-6, HGL3.2-6, HGL4.5-6, HGL5.4-6, HGL7.2-6, HGL10-6, HGL13-6, HGL14-6, HGL20-6, HGL0.8-12, HGL1.2-12, HGL2.3-12, HGL3.2-12, HGL4-12, HGL5-12, HGL7.5-12, HGL8-12, HGL10-12, HGL13-12, HGL18-12, HGL20-12, HGL24-12, HGL26-12, HGL33-12, HGL40-12, HGL45-12, HGL55-12, HGL65-12, HGL75-12, HGL90-12, HGL100-12, HGL115-12, HGL120-12, HGL135-12, HGL150-12, HGL200-12, ED10S

Motorcycle / Jetski

POWERIDER

Technology	AGM starting
Warranty	12 month
Suited for	Motorcycles & jetski
Advantage	Long shelf life, long life
Stocking benefit	Large range covering the majority of the market
Range	YTX4-BS, YTX5L-BS, YTX7A-BS, YTX7L-BS, YTZ7-BS, YTX9-BS, YTX9C-BS, YTZ10-BS, YT12A-BS, YT12B-BS, YTX12-BS, YTX14-BS, YTX14AH-BS, YTZ14-BS, YT14B-BS, YTX16-BS, YTX20H-BS, YTX20HL-BS, YB4L-BS, YB10L-A2S, YB14-A2BS, YB16-B, YB16-BS, YB30L-BS, Y50-N18A-AS, Y50-N18L-A2S, YTX20LS, YTX16LS, YTX16S, YB9L-BS, YB12A-A, YB16AL-A2, YB16CL-B, YB30CL-B

JIS NS40 - Japanese standard NS40

JIS NS60 - Japanese standard NS60

AU standard - Australian Standard (Holden/Ford)

JIS other - Japanese standard
